**RE: CELLO PRESENTATION & TRAINING FEEDBACK**

It was a pleasure to receive the futuristic CELLO equipment and training at Wentworth Hospital on 07/04/21. Thank you to Londeka Luthuli and Chad Cochran who made the training session interactive – I learned a lot. Londeka and Chad were knowledgeable and equipped to answer all my questions.

The CELLO in itself is very nifty, techno-forward, and has the potential to solve community outreach challenges faced by audiologists – so I hope that audiologists use it well and wisely.

Helping the world one ear at a time!

Thank you and best wishes.
