RE: Reference letter for Cello Equipment Training

Dear AMHT Team

It is with much enthusiasm that we are writing in reference to the Cello Audiometer training given by Londeka Luthuli (Audiologist) and Chad Cochrane (Customer Support Manager) at Church of Scotland Hospital. We are genuinely grateful to you for an outstanding customer care team and the level of accountability and dedication demonstrated.

They did an excellent job when they visited our Department on the 29th of March 20201 to provide Cello Audiometer training and to deliver the equipment. They were punctual and had a very professional approach. Additionally, their attention to detail, great communication skills, and ready to answer questions made our experience even better than expected.

In light of your impeccable services, we would like to continue our association with AMHT for the years to come. We express our sincere gratitude to your team, looking forward to working with AMHT in the future.

Regards

T. Maphumulo & S. Mkwanazi (Audiologists - Church of Scotland Hospital)
