**Re: Audiomedi Hi-Tec (Pty) (AMHT)**

Primecare Clinics had the pleasure of working with the engineers and staff of AMHT in December 2024 in Maputo, Mozambique.

The services provided, ranging from administrative to technical, were executed with utmost professionalism.

We highly recommend their services for the calibration of Occupational Health & Safety Equipment.

Should you require further details, please feel free to contact us.

Sincerely,

Maputo, January 17, 2025
